MEMORANDUM

June 4, 2020

To: Board of Adjustment
From: Betty Chew

RE: 3004 Old Ford Road – BOA – 2020-06-01

The applicant is requesting a variance to the 25' front building setback (per plat) on Old Ford Road. The applicants request is to extend the covered porch 10' to the front of the property. This is the only house in this block on this side of the street fronting on Old Ford Road. The proposed porch will not cause a site restriction.

CHAPTER 14 – ZONING REGULATIONS
Sec. 14.06.005 R-1 SINGLE FAMILY DISTRICT
(B)(6) – Front yard setback: Thirty (30) feet.

This request will require a variance to allow the covered porch to be constructed two (2) feet from the front property line.

Description of request for variance at 3004 Old Ford Road, Willow Park, TX 76087

(1) In order to make my home wheelchair accessible, I am requesting approval for widening my porch and slanting the porch downward (I am 80 years old). The update would not change the distance from my home to the street. The porch would be slanted toward my driveway. There is currently a sidewalk that the porch would cover. *Please note there is a very high step from the sidewalk to the current porch and front door.

(2) I am requesting that a small upside down V be added to the roof to enhance the attractiveness of my home. (Drawing included with the application) The current roof is quite flat. I have hired a contractor who will do the work should you give me your approval.

(3) The home was built in 1972 and the survey shows it is a little closer to the street than some homes in the neighborhood. I purchased the home March 6, 2019. I was not informed of this until I was at the closing table. I am just trying to update the exterior and widen and slant the porch to make it wheelchair accessible.

I would appreciate your consideration of changes that would enhance the attractiveness of the neighborhood and make my home wheelchair accessible.

Sincerely,

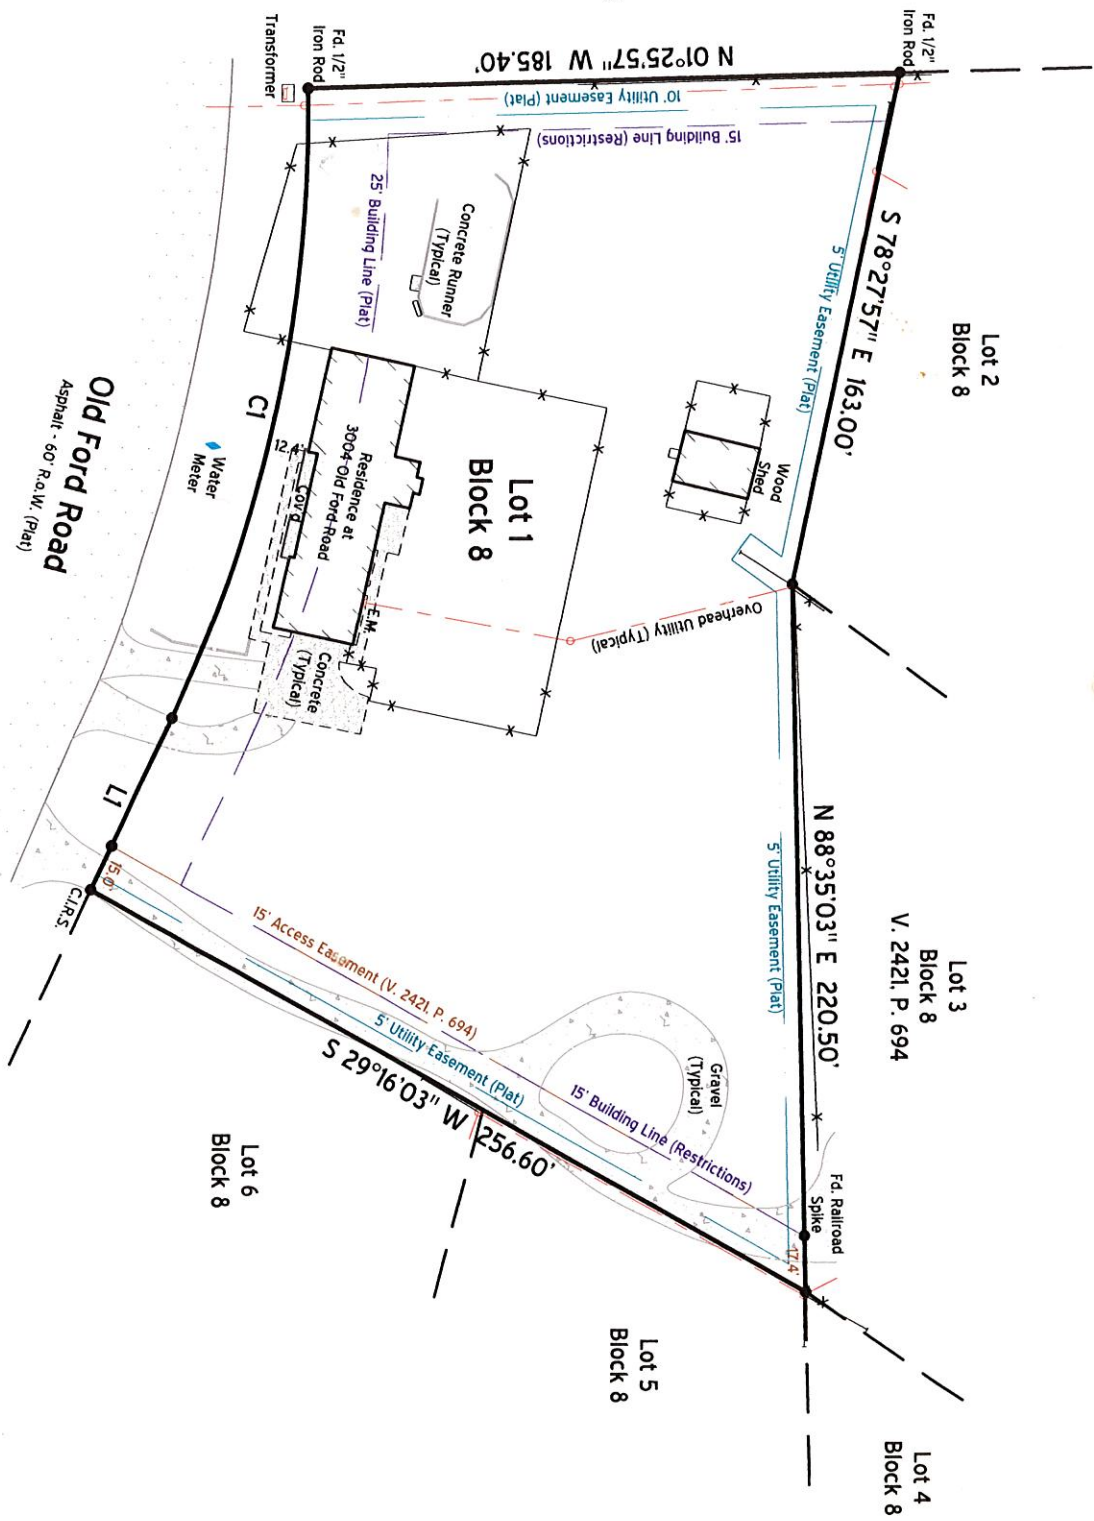

Frankie Manley Andrew (Ms.)
